

# FREESTYLE<sup>®</sup>

Portable Oxygen Concentrator

## Discover your independence

The lightweight and wearable FreeStyle<sup>®</sup> offers you the ultimate freedom to go anywhere. Easy to use while active in your everyday activities and FAA-approved for use on a commercial flight — it is perfect for everywhere you go.

### A LIGHTWEIGHT SOLUTION

Replace your tanks with the lightweight FreeStyle<sup>®</sup> at under 5 lbs. This device can be easily carried by handle, worn by a comfortable shoulder strap, or attached to a backpack. You really can go anywhere and enhance your activity level.

### PEACE OF MIND

Enjoy the convenience of a portable oxygen concentrator with sensitive breath detection — UltraSense<sup>™</sup> Technology — which ensures the device detects each of your breaths quickly to give you the oxygen you need each time you breathe in.

### STAY ACTIVE

Quickly swap the battery packs on the go so you never have to worry about running out of oxygen. The convenient pack will re-charge anytime wall (AC) or motor vehicle (DC) power is connected and is easily accessible from the front of the device.
