

Keep your frozen food cold on your way home with:

# FRESH

## New solution for your frozen products!

Chart Ferox, a world leader in the design and manufacture of cryogenic equipment offers a new solution for comfortable and easy transport of frozen products using dry ice – **FRESH**.

### What is it?

FRESH is a machine used especially in retail shops (supermarkets) as a dispenser of dry ice (snow) into customers' bags in order to keep frozen food cold during transport.

### Why is it advantageous?

- ✓ The frozen food stays cold, safe for long time
- ✓ No more problems of melted ice
- ✓ No need to hurry home, your time can be used for other activities
- ✓ Easy, safe, automatic and failure-free service
- ✓ Applicable for frozen food, ice cream, meat, frozen vegetables, fish, or other items that need to be kept cold...
