

GOFA

A Chart Industries Company

Tank Trailers & Containers

Gases / Liquids / Dry Bulk

Innovation. Experience. Performance.®

Semi-Trailer

1 - 4 axles
side and rear cabinet
short and long version

Tank Body

2 - 4 axles trucks
swapable and rigid version
side and rear cabinet

Cylinder

semi-trailer & container
cylinder type 1-4
various pressure stages

Tubes

tube trailer
steel cylinders

Trailer

1 - 2 front axles
1 - 3 rear axles
swapable and rigid version
side and rear cabinet

Minibulk

small trucks / transporters
CO2 and air gases

Container

10 - 58 ft
ISO / domestic
wool, foam and vacuum
insulation
various pressure stages

Swap Body

10 - 58 ft
ISO / domestic
wool, foam and vacuum
insulation
various pressure stages

Simply the best in mobile equipment

GOFA

... is an internationally established and market-leading manufacturer of tank vehicles such as semi-trailers, trailers, containers, swap and fixed bodies for gas (cryogenic air and flammable gases, CO₂, LPG and other gases), liquids (chemicals, food) and dry bulk. We offer designs for all European countries and standards as well as for many other countries and regions. The high grade and the durability of the products with a simultaneous excellent payload are highly regarded in the market. Our flexibility during the realization of all customer-specific projects and requests in connection with our rapid reaction time is described as unique. GOFA is part of Chart Industries Group with over 7000 employees worldwide and approximately \$ 1.5 billion in annual sales.

Cryogenic LIN | LOX | LAR

- ✓ inner and outer vessel made of stainless steel or aluminium
- ✓ ergonomic piping design
- ✓ best-in-class vacuum values and holding times
- ✓ various pressure stages
- ✓ low center of gravity (COG)
- ✓ rear, side and center cabinet
- ✓ various pump and flowmeter brands
- ✓ ADR, IMO, RID, ASME, EAC-TR (GOST)

Cryogenic LNG | LBG | Ethylen

- ✓ inner and outer vessel made of stainless steel or aluminium
- ✓ ergonomic piping design
- ✓ best-in-class vacuum values and holding times
- ✓ various pressure stages
- ✓ low center of gravity (COG)
- ✓ rear, side and center cabinet
- ✓ various pump and flowmeter brands
- ✓ ADR, IMO, RID, ASME, EAC-TR (GOST)

CO2 (LIC)

- ✓ material duplex
- ✓ ergonomic piping design
- ✓ best-in-class holding times
- ✓ various pressure stages
- ✓ rear, side and center cabinet
- ✓ various pump and flowmeter brands
- ✓ foam insulated tank (optional vacuum insulated)
- ✓ ADR, IMO, RID, ASME, EAC-TR (GOST)

LPG | Aerosols | EOX

- ✓ high-alloyed steel tanks
- ✓ optional >1t to payload advantage
- ✓ ergonomic piping design
- ✓ various pressure stages
- ✓ rear, side and center cabinet
- ✓ various pump and flowmeter brands
- ✓ optional with sun roof
- ✓ ADR, IMO, RID, ASME, EAC-TR (GOST)

Hydrogen / CNG / Helium

- ✓ cylinder type 1-4 or horizontal tubes
- ✓ various pressure stages up to 500 bar
- ✓ best-in-class volume
- ✓ extremely maintenance-friendly design
- ✓ accident-proof design of chassis, frame and piping
- ✓ optional zinc-coated
- ✓ ADR, IMO, EAC-TR (GOST)

Dry Bulk

- ✓ dry bulk container and swap body
- ✓ ADR version, RID
- ✓ various capacities
- ✓ material aluminium or stainless steel
- ✓ customized design for flanges, manholes, piping and discharge connection
- ✓ extensive amount of variants and accessories

Liquids

- ✓ single or more compartments
- ✓ rubber lined / coated / one or more compartments
- ✓ various designs, capacities, materials, insulations, heating systems, pumps and components available
- ✓ up to 6 compartments possible
- ✓ various pressure stages
- ✓ permanent leakage monitoring for rubber linings
- ✓ ADR, IMO, RID, ASME, EAC-TR (GOST)

Small Tanks

- ✓ various designs, capacities, materials, insulations, heating systems and coatings
- ✓ on request equipped with corner castings, panning rollers, forklift pockets and chain hooks
- ✓ ADR

Service

Maintenance, repairs, refurbishments and spare parts for semi-trailers, trailers, tank bodies as well as swap bodies and containers for gases, liquids and dry bulk.

Innovation. Experience. Performance.
