*Units manufactured after January 2014 have a blank plug in place of the CPC connector. These models will need Blank Plug 10002647. For units manufactured with the CPC connector, replacement CPC Quick-Connect B-701586-00 can be ordered. To inquire about upgrading from a non-CPC model to a unit with CPC fitting, contact CAIRE Technical Service.

** Note: Reference Service Bulletin 21174579

Figure 2: Conserver

Item Number	Description	Quantity	Bubble Seq No
067876-SV	Valve 4:1 Conserver Assembly (includes items 21-24)	1	20
