

Chart Industries, Inc.  
Internet Privacy Policy

Internet Privacy Policy

At Chart Industries, Inc., we understand that privacy is an important issue for users of, and visitors to, the Chart Internet site [www.ChartIndustries.com](http://www.ChartIndustries.com) and its related domains. The following information is designed to help visitors understand what information we collect from our site, and how we handle and use the information after that.

Information Collection and Use

Chart is the sole owner of any information collected on this site. We will not sell, share, or rent this information to others in ways different from what is disclosed in this Internet Privacy Policy. Chart may collect information from our users at several different points on our website, including the use of cookies to track the use of our site. Chart may also transfer the information collected to any relevant unit within Chart, and located anywhere in the world.

By using this site and/or submitting your information, you agree to the use of such information by Chart.

General Employment Inquiries

If a user contacts Chart with a general inquiry, the user may need to provide Chart with personal information (for example contact details). Chart will use this personal information to respond to the inquiry and track further correspondence.

If a user wishes to apply for a career or subscribe to Chart's talent community, we ask for an email address and other contact information. Chart may choose to correspond with you using the contact information provided by you. You may contact Chart at any time in the future to request that Chart cease to contact you.

Purchases

If you would like to purchase an item from any of Chart's sites, we ask you for personal information, including your contact and delivery information, and use a third-party provider to process your payment. By making your purchase, you agree to our use of this information for these purposes.

Third-Party Services

We may partner with another party to provide these or other specific services. When the user signs up for these services, we will share names, or other contact information that is necessary for the third party to provide these services, and these third parties could be located anywhere in the world.

*We ask that these parties keep the information confidential and only use personal information collected for the purpose of providing these services.*

We encourage visitors to read the privacy statements of each and every site that collects personally identifiable information. This privacy statement applies solely to information collected by Chart's site.

#### Cyber Security and Cyber Threats

Chart takes cyber security very seriously and invests in people, processes, and technology to protect our information, including the information provided by you. Even with the protection measures taken, it is possible that we could experience intrusions (known or unknown) into our data bases. Chart will comply with all applicable laws regarding disclosure of such events.

#### Changes to Chart's Internet Privacy Policy

Chart may, from time to time, make changes to this policy. We recommend that users of this site re-visit this Internet Privacy Policy on occasion to learn of new privacy practices or changes to our policy.
