

Giving Back – Corporate Social Responsibility in India

Empowering Education in Chennai

We are proud to announce the successful completion of our latest project: the **construction of a new classroom and washroom facilities** at **Government Higher School**, a government school in **Senneerkuppam Chennai**.

This initiative is testament to our unwavering commitment to fostering educational opportunities, improving the quality of life for students in our community and significantly improving their learning environment and hygiene standards.

Special thanks to our dedicated team members

- **Parvesh Mittal**
- **Yamini Sinha**
- **Rubbesh Kumar**
- **Aravind Ramanathan**
- **Rahul A**

Completed on : 4th March 2025

Empowering Education in Hosur

Construction of a **multi-purpose shed for the Government School for Girls**. This versatile addition to the school's infrastructure addresses immediate space needs and offers long-term benefits by supporting a wide range of activities. The facility will play a crucial role in the holistic development of students, providing them with opportunities to learn, grow, and thrive in a supportive environment.

Through this project, we are empowering the future generation and contributing to the community's growth and well-being.

Empowering Education in Sri City

Construction of a **new classroom and compound wall at Mandal Parishad Primary School in Naganandapuram village, Varadaiahpalem, Andhra Pradesh**. The new classroom provides additional student learning capacity and the compound wall affords improves campus security for parents and teachers.

Special thanks to our dedicated team members M. Kanthaswami, S. Arulanandam, V. Manikandan, R. Krishna Kumar, S. Vimal, M. Chetani, G. Sri Ram

Completed on : 13th August 2025

Skill Development for Bright Futures

1st Batch 2024

Successfully completed 1st Batch of 25 students with 16,000hrs of Training

2nd Batch 2024

After Success of 1st Batch Second Batch started in Dec 2024 with 15 Students

Together, let's continue shaping a future where talent and potential thrive, driving transformative outcomes for society and industries alike.

Skill Development for Bright Futures

Providing underprivileged young graduates with access to skill development and giving them the tools to build a better future and break the cycle of poverty.

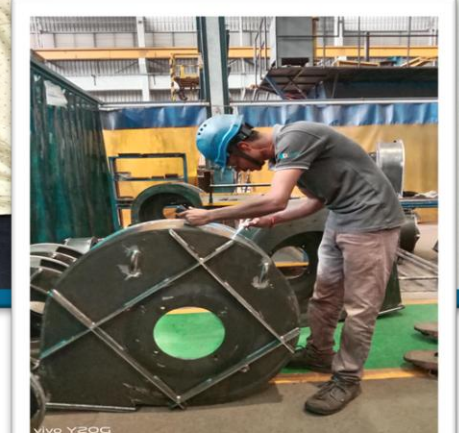

Employee Volunteers

Through workshops, mentoring, and hands-on training, our volunteers provide industry-specific skills and professional development.

Job Readiness

Combining technical training with life skills means students are better prepared for the workforce.

Economic Impact

A monthly stipend of ₹14,500 reduces economic pressures, allowing students to focus on learning and development.
