3. PERFORMANCE

3.1 Any figures quoted by Howden for performance are based on Howden's experience and are such as Howden expects to attain on test. Howden will accept no liability for failure to attain any such figures unless Howden has specifically guaranteed them, subject to any tolerances specified or agreed to by Howden. If Howden specifically agrees in writing to guarantee performance, Howden is only responsible for proven performance deficiencies after Howden has been given notice and a reasonable opportunity to correct the deficiencies, and only if, and to the extent, Howden has agreed in writing to a liquidated damage clause which shall not in any event result in Howden incurring liability in excess of the Contract Price.

4. INSPECTIONS AND TESTS

4.1 Howden products are carefully inspected and where practicable, subject to Howden's standard tests before dispatch. If tests other than those specified in Howden's quote or tests in the presence of the Buyer or the Buyer's representative are required, these will be at additional cost to the Buyer. In the event the Buyer delays in carrying out any inspection or attending such tests after being given at least forty-eight (48) hours' notice that Howden is ready to test, the inspection or tests will proceed in the Buyer's absence and shall be deemed to have been made in the Buyer's presence and the results accepted by the Buyer.

Furthermore, after this fourteen (14) day period, storage costs will be chargeable to the Buyer in accordance with Section 6.1.

5.3 When the Contract requires installation of the Goods, delivery of the Goods shall be deemed accepted by the Buyer when installation is completed by Howden on the Buyer's site. On completion of the installation by Howden, in accordance with the specifications contained in the Contract, the Buyer shall have a period of 15 days to accept delivery. Any rejection will have to be duly evidenced and presented to Howden. In the absence of such evidence provided within the said 15 day period, Howden will be deemed entitled to consider delivery of the Goods as accepted.

All such charges shall be due and payable by the Buyer on receipt of a simple receipt from Howden or the warehouse keeper as evidence of such storage or warehousing. Any hardware equipment should be stored in dry, heated, air conditioned environment, free of dust at temperature between 15-25°C.

- 9.1 Unless otherwise agreed, payment shall be made within thirty (30) days from the date of Howden's invoice by electronic funds transfer (EFT) or automated clearing house (ACH) transaction.
- 9.2 Should any payment fall into arrears, Howden is entitled to postpone or cancel performance of the Contract wholly or in part and to be paid immediately for performance of the Contract to date (without obligation for liquidated damages, if applicable, incurred due to such termination).
- 9.3 Howden reserves the right to charge late fees at the lesser of the rate of 1.5% per month (18% per annum) or the maximum amount permitted by law, and require Buyer to pay all of Howden's collection costs.
- 9.4 No claim by the Buyer under warranty or otherwise shall entitle the Buyer to any deduction, retention or withholding of any part of the Contract Price. The terms of payment must be adhered to and any such claims handled separately.
- 9.5 For milestone payments required under this Contract, Howden may invoice on the original milestone completion date if the milestone is not met due to Buyer's fault, untimely response or unreasonable delay. In the event that Buyer seeks to modify the Contract, Buyer agrees to make payments in accordance with the original contract terms until such time as modification is mutually agreed upon. Howden only waives claims for payment to the extent that such payments have been received by Howden. If, in Howden's reasonable opinion, Buyer's financial condition may jeopardize full or timely payment, Howden may: (i) require full or partial payment as a condition to commencing or continuing its performance (including in advance of any shipment); or (ii) recover Goods from the carrier, if shipment has been made.
- 9.6 Buyer shall be responsible for all sales, use, value added and similar taxes ("Sales Taxes") required on the Goods and Services, which shall be in addition to the consideration payable for such Goods and Services. If Howden invoices Buyer for such Sales Taxes, then Buyer shall pay such amounts to Howden concurrent with the payment of the consideration upon which such Sales Taxes are calculated. If Howden does not invoice Buyer for such Sales Taxes, Buyer shall report and remit such Sales Taxes directly to the appropriate taxing authority within the time period required by law and shall provide evidence of such remittance to Howden upon request. Buyer shall be responsible for all import, export, customs duties, fees and similar charges ("Duties") in respect of the Goods and Services, and if Howden is required to pay any amount of Duties in respect of the Goods and Services, then Buyer shall reimburse Howden for such amount upon request.
- 9.7 Howden reserves the right to adjust the Contract Price if Howden incurs extra costs due to changes or delays caused by Buyer. If, during the performance of this Contract, the price of raw materials significantly increases through no fault of Howden, the price of the Goods shall be equitably adjusted by an amount reasonably necessary to cover any such significant price increases. As used herein, a significant price increase shall mean any raw material increase in price exceeding 5% experienced by Howden from the date of the Contract. Where the delivery of Goods is delayed through no fault of Howden, as a result of the shortage or unavailability of raw materials, Howden shall not be liable for any additional costs or damages associated with such delay(s). If a supplier increases the price of its equipment incorporated into the Goods during production, Buyer acknowledges that Howden may increase the price of the Goods accordingly. Such price increases shall be documented through quotes, invoices, or receipts.

10. CONTRACT CHANGES

- 10.1 In the event of a change to the Contract ("CO") resulting in an extension to the delivery date(s) which will impact Howden's invoice schedule, Howden reserve the right to invoice the Buyer for the original Contract Price in accordance with the most recent project plan, prior to the CO. Previous invoice milestones will be adjusted pro-rata and invoiced upon Howden's acceptance of the CO. Howden shall be entitled to an equitable adjustment for any increased cost and an adequate extension of time required by Howden to complete the Contract in accordance with any CO.
- 10.2 If Howden deems it necessary to vary any aspect of the Goods and/or the Contract due to an unforeseen change in any applicable law, local regulation or standard becoming effective or taking place after conclusion of the Contract, Howden shall inform the Buyer in writing defining explicitly the changes deemed necessary. In this case, Howden shall be entitled to an equitable adjustment for any increased cost and an adequate extension of time required by Howden to complete the Contract in accordance with any applicable law, local regulation or standard.

11. LIABILITY FOR DELAY

- 11.1 Any lead times quoted by Howden shall run from Howden's acceptance of the Buyer's order and/or on Howden's receipt of all necessary information to enable Howden to commence work under the Contract, whichever is later, and shall be subject to continued and timely performance from the Buyer.
- 11.2 Should Howden agree in the Contract to pay Buyer any liquidated damages, such liquidated damages shall be the Buyer's sole and exclusive remedy in the event of Howden's delay.
- 11.3 If Howden is delayed in its performance of the Contract solely attributable to the fault of the Buyer, the Buyer's agent and/or other contractors, Howden is entitled to receive payment at the time Howden was originally scheduled to be paid notwithstanding the delay. Shipments held beyond the scheduled date at the request or fault of Buyer may be billed immediately to Buyer including reasonable expenses incident to such delay, and Buyer shall assume the risk of loss thereof.

12. SERVICES

- 12.1 **Services.** The following provisions shall apply where the Contract includes Services:

- (vi) If the Buyer defaults on any payment or if circumstances arise making it probable that a future payment will not be paid when due, Howden may suspend Services and/or terminate the Contract on giving 10 days' notice to the Buyer in writing.
- (vii) The Buyer shall not make any changes in the scope of the Services without obtaining Howden's prior written approval. Any such change shall invoke an adjustment to the price of the Services if the Howden's costs are thereby affected.
