Goch, **Germany**

Monheim, **Germany**

Děčín, **Czech Republic**

- 6 sites are fully operational
- 2 sites to be ready in 2025
- A further 31 Howden sites across 17 countries are available

## Repairs & Refurbishment

Serving the complete range of cryogenic equipment including bulk tanks and liquid cylinders (MicroBulk), ISO containers, tank trailers and other mobile units, piping systems and valves.

- All repairs and refurbishments carried out in accordance with recognized international accreditations and fully warranted
- 'As new' condition includes full vacuum leak check with mass-spectrometer, pressure test, renewal of piping systems and valves and painting

## Lifecycle Services

Your field service partner across Europe. Full range of services including calibrations, routine maintenance, shutdowns and turn-arounds, performance optimization, repairs, emergency response, installations and relocations.

- Multiple service locations
- Core cryogenic expertise
- Supplemental specialist knowledge of subsidiary companies
- Single source contact and accountability
- Unrivalled experience
- Largest installed equipment database
- Hypercare and training

## Cryo-Lease

- Whether you're looking to respond quickly to seasonal or sudden demand increases, cover for vehicles being serviced or repaired, or reducing long term capital expenditure, Chart has a fleet of air-gas, carbon dioxide and LNG trailers available for short- and long-term rental

## Chart Parts EU

Spare and replacement parts inventory specifically for Chart equipment manufactured in Europe.

- Automated stock replenishment
- Consumption based invoicing
- Inventory requests can be modified at any time
- Most despatches made within 24 hours
